

January 1st, 2011
Duration: 10 min.

Computers and More An Awesome Degree

Final examination.
Score: 5 points out of 10 total points for the exam.

There is only one correct answer for each multiple choice question. Each correct answer adds 1 point. Each incorrect answer has a penalty of 1/3 points. If no answer no score is awarded, neither positive nor negative.

- Mark out your answers with an “X”.
- If more than one answer or no answer are selected, the question is considered to be not answered (no score is awarded, neither positive nor negative).
- Remember to fill in your name and student ID.

(1) Write your personal data clearly.

Last name:	
First name:	
Group:	

(2) Write down your student ID and cross out your answers with an “X”:

Model: A

ID:

--	--	--	--	--	--	--	--

	A	B	C	D		A	B	C	D
1					8				
2					9				
3					10				
4					11				
5					12				
6					13				
7					14
